HARMONY DAY AT WIMMERA HEALTH CARE GROUP

Wimmera Health Care Group will celebrate Harmony Day this Friday with a display in the hospital foyer.

Chief executive Chris Scott said that Harmony Day is a fantastic opportunity to celebrate cultural diversity in our local community.

“Our staff and patients come from a range of different backgrounds and we want to take this opportunity to celebrate our multicultural community” he said.

Mr Scott said that the key message of Harmony Day is that Everyone Belongs. “It’s about community participation, inclusiveness and respect for people of all cultures” he said.

During Cultural Diversity Week, Victorians of all ages from all walks of life, come together to contribute to community harmony and to promote mutual understanding and respect.

Mr Scott said that staff at Wimmera Health Care Group would be available in the hospital foyer on Friday from 10.00 a.m. They will provide information about cultural awareness, answer questions and distribute food samples.

“We encourage the public to come along and help us celebrate Harmony Day and the many cultures that make up our community in the Wimmera” he said.
