

Wimmera Health Care Group
Graduate Nurse Program

Mid-Year Intake

0.8 EFT /1FT– Division One RN

Looking to join an organisation that values its staff and is committed to their Professional Development?

Wimmera Health Care Group is the major referral hospital for the Wimmera region, providing a wide range of Acute, Residential and Primary Care services. An exciting opportunity exists for 3 Graduating Nurses to take part in our 54 week Division 1 Graduate Nurse Program, Mid-year Intake. In a supportive and nurturing environment, this program enables the Graduate Nurse to consolidate practice and knowledge; building on the foundation of his/her undergraduate education and encourage the development of a professional identity as a Division One Registered Nurse.

The successful applicant will need:

- Envisaged mid-2010 completion of Bachelor of Nursing or equivalent
- Eligibility for registration as a Division One Registered Nurse with the Nurses Board of Victoria

Benefits offered by the Health Care Group Graduate Program include:

- A comprehensive orientation program.
- Supportive Professional Development team led by a full-time Graduate Nurse Program Coordinator.
- Friendly and experienced preceptors.
- Study days and ward rotations that ensure you reach your full potential.

For more information on this program contact Susan Pickett, Graduate Nurse Program Coordinator on (03) 5381 9280, or Susan.Pickett@whcg.org.au

Applications must include:

- A brief cover letter
- Resume
- Academic results to date, including clinical assessments
- Contact detail of two professional referees
- A passport size photo

and should be forwarded by 5 pm March 19th 2010 to:
