### **HARRINGTON HOMES GETS BEHIND BLUE RIBBON FOUNDATION**

This year's Harrington Homes Blue Ribbon Foundation Black Tie Gala Ball on Saturday night promises to be bigger and better than ever before.

Once again, local family building business Harrington Homes has thrown their full support behind the ball. Not only are they chipping in \$8,000 for the second year running, Andrew Harrington, Managing Director of the company has also personally provided a seven-night accommodation package at the Surfers Trade Winds Resort on the Gold Coast valued at over \$1,200 which will be auctioned during the night.

Mr Harrington said that he was proud to be associated with the foundation and the upcoming black tie gala ball on Saturday night.

"It is fantastic to be involved in running an event of this calibre in Horsham, whilst at the same time raising much needed funds for vital life saving equipment for Wimmera Health Care Group's Emergency Department. I am only too happy to support them in any way that I can. Because of the efforts of the Horsham Branch over the past two years, we have been able to contribute \$80,000 to Wimmera Health Care Group" he said.

President of the Horsham Branch Les Power said that the ongoing support of Harrington Homes was very welcome.

"They are also the major sponsor of our local Spirit of Football program which recognises the sporting achievements of our junior netball and football players. Because of the support of Harrington Homes, this year we have been able to expand the program to cover our two local leagues" he said.
