MEDIA RELEASE

NEW UNIFORMS FOR MURRAY TO MOYNE TEAM

Thanks to the support of some local businesses, Wimmera Health Care Group's Murray to Moyne cycle relay team will be proudly sporting new uniforms at this year's event.

Co-ordinator Kerrie Trounce said that the team was very excited about their new uniforms. "It's been several years since we've updated them. They've been well worn and its time for a change" she said.

Mrs Trounce said that the team was very grateful for the support of their uniform sponsors, namely, Neverfail, Jayco Horsham, Simpsons, the National Australia Bank, Horsham T Life and Health Financial.

"Murray to Moyne is a major fundraising event for Wimmera Health Care Group. It's a great partnership between business and our local health service" she said.

The Murray to Moyne Cycle Relay from Mildura to Port Fairy is coming up next weekend on 4 and 5 April.
