MEDIA RELEASE

PARKING SPACES FOR REHABILITATION CLIENTS

Dedicated parking spaces are now available for Community Rehabilitation Centre clients at Wimmera Health Care Group.

These parking spaces are located in the car park adjacent to the Arapiles Building in Baillie Street.

Community Rehabilitation Centre Manager Anne Richards said that three car parking spaces are available specifically for Community Rehabilitation Centre (CRC) clients attending groups/clinics from Tuesdays through to Fridays every week.

“We have clients who attend cardiac rehabilitation on Tuesdays, knee clinic on Wednesdays, pulmonary rehabilitation and a diabetes group on Thursdays and gait and balance on Fridays.”

“We are well aware of the parking difficulties around the hospital and we are doing our best to address this issue for all our clients who have difficulty in walking long distances” she said.

Mrs Richards said that the parking spaces are clearly marked:

“For CRC Only”

She urged anyone with questions about the CRC parking spaces to contact Community Rehabilitation Centre staff on ph. 5381 9011.
