

Physiotherapist – Grade 1

An exciting opportunity has become available for an enthusiastic full time Grade 1 Physiotherapist to join the Allied Health team at Wimmera Health Care Group.

Wimmera Health Care Group is located in Horsham in rural Victoria (300km North West of Melbourne). It is the acute referral hospital for the Wimmera region, providing a wide range of specialist services.

Visit: www.wimmerahealth.com for more information.

This role involves a varied and busy caseload with four rotations over a 12 month period. These rotations include acute inpatients and Intensive Care, Rehabilitation, Outpatients, Regional visits, Aged care and Rehabilitation Groups. Working within a friendly and supportive team, your exposure to a variety of inpatient and outpatient cases will help develop your abilities, interests and knowledge in Physiotherapy practices. The Physiotherapy Department also offers a 12 month mentoring program for all new graduates.

This full time permanent role offers new graduates a Grade 1, Year 3 salary of \$965.50 per week, 1 accrued day off per month, a variety of salary packaging options, support with accommodation and relocation expenses and a range of professional development opportunities.
