MEDIA RELEASE

WIMMERA HEALTH CARE GROUP RECOGNISES STAFF MILESTONES

Wimmera Health Care Group has recognised 67 long term staff who have reached significant milestones within the organisation.

A special morning tea was held to celebrate the achievements of staff who had completed 10, 20, 25 and 30 years of service at Wimmera Health Care Group.

Chief executive Mr Chris Scott said that these employees had provided a high standard of service over a long period of time. "They have made a massive contribution to Wimmera Health Care Group, contributing a combined total of 1,120 years of service to the organisation" he said.

Our staff are our most valued asset and we appreciate their commitment and dedication to the organisation. All of our staff play an important role in the organisation. Whether they work in the medical, nursing, allied health, administration, environmental, kitchen, laundry or engineering department, they all make a significant contribution to overall operation of Wimmera Health Care Group and they should be very proud of what they have achieved" he said.

Mr Scott said that as the major sub-regional acute referral hospital in the region, Wimmera Health Care Group was committed to achieving the best health for all the Wimmera by providing high quality services to patients. The organisation employs approximately 850 staff – making it the largest employer in the Wimmera.

Some of the 67 award recipients

Front row – staff who have completed 30 years of service; second row, staff who have completed 25 years of service; third row, staff who have completed 20 years of service; and back, staff who have completed 10 years of service to Wimmera Health Care Group
